Dear Sir:

We were very happy to hear that WHRB is interested in paying WCSR a visit in the near future. We would be very glad to have you come, preferably on a Friday night, and take over our broadcasting from seven until midnight. The station feels that April would be the best time for us if that is convenient for you.

WHRB, we have heard, is doing an excellent job of broadcasting. Your new classical recording program is supposed to be very good. Our station will greatly profit from your visit and both stations, we are sure, will have a good time.

Hope to hear from you soon as to when it would be most convenient for you to come down to Smith.

Cordially,

Camilla Davis
